BASED ON
LAW LIBRARY OF CONGRESS CLASSIFICATION SCHEME

by

THE LIBRARY OF PARLIAMENT
OTTAWA

KA - CLASS

NOTE

This is a preliminary scheme designed to provide for the accommodation of the Library of Parliament's law books within the notation of the Library of Congress classification. It is the first part of a project to devise a full K - Law classification to fit the special requirements of the Library of Parliament. The title-page was printed to cover the inclusion of other sections as they are completed, probably within the next year or two. Copies of the later sections will be distributed on publication and free of charge to recipients of the KA Class.

Suggestions and criticisms from interested librarians and cataloguers, especially those who have had experience in cataloguing Canadian law books, are cordially invited, and will be warmly welcomed.

The Parliamentary Librarian.
